Pursuant to the citizen participation requirements of 24 CFR Section 91.115, the State of Iowa's Economic Development Authority (IEDA), and the Iowa Finance Authority (IFA), hereinafter collectively referred to as the “State”, set forth the following Citizen Participation Plan as it relates to the consolidated planning process for housing and community development programs funded by the Department of Housing and Urban Development (HUD). The Citizen Participation Plan presents the State’s plan for providing and encouraging all citizens, particularly low- and moderate-income citizens, to participate in the development and adoption of four components of the consolidated planning process, plus the Section 108 Loan Guarantee Program:

1.) The Citizen Participation Plan
2.) The Five-Year Consolidated Plan
3.) Substantial Amendments to the Consolidated Plan
4.) The Annual Action Plan
5.) The Consolidated Annual Performance and Evaluation Report (CAPER)

The IEDA is the lead agency responsible for the Consolidated Planning process and the administration of the Community Development Block Grant Program (CDBG), including the Section 108 Loan Guarantee Program. The IFA is the lead agency responsible for the administration of the Home Investment Partnerships Program (HOME), the Emergency Solutions Grant Program (ESG), and the Housing Opportunities for Persons With AIDS Program (HOPWA). All of these funds are collectively known as Community Planning and Development (CPD) funds.

In accordance with the regulations, the minimum annual number of public hearings at which citizens may express their views concerning the Consolidated Plan Documents shall be two (2) public hearings. These public hearings shall occur during the public review and comment period for the Annual Action Plan and for the Consolidated Annual Performance and Evaluation Report. The State, at its discretion, may conduct additional outreach, public meetings or public hearings as necessary to foster citizen access and engagement.

Subsequent to approval of this Citizen Participation Plan by IEDA and IFA, the plan shall be effective until it is amended or otherwise replaced.

A. Encouragement of Citizen Participation

The State of Iowa provides for and encourages citizens to participate in the development of the Citizen Participation Plan, Consolidated Plan, Annual Action Plan, CAPER, and the Section 108 Loan Guarantee Program. The State encourages participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where CPD funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhood. The State will also take appropriate actions to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities.

The State encourages the participation of local and regional institutions, the Continuum of Care and other organizations (including businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations) in the process of developing, amending, and implementing the Consolidated Plan especially with regard to homelessness issues. The
State encourages, in consultation with public housing agencies, the participation of residents of any public and assisted housing developments located within the State, in the process of developing and implementing the Consolidated Plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The State will provide information to the Iowa Public Housing Authority Directors about Consolidated Plan activities.

The State may also explore alternative public involvement techniques and quantitative ways to measure efforts that encourage citizen participation in a shared vision for change in communities and neighborhoods, and the review of program performance. The Citizen Participation Plan has been and will continue to be amended as the State continues to gain access to technology that improves the avenues of participation.
